

Corona Virus Pandemic

Due to the Corona Virus Pandemic we have cancelled all our Sunday morning and mid-week activities from our Ministry Center until restrictions are lifted. Office hours are from 9AM-3PM Tuesday through Friday.

Persons with ministry needs of any kind are welcome to leave a phone message (610-286-9124) and we will call you back as able.

Join us in prayer that God will intervene to lessen the global impact of this virus, that persons experiencing loss or trauma would sense our Lord's Shepherding presence, that medical personnel and civic leaders would be given wisdom and strength, that our nation would come together in this time, and that God's people would radiate faith rather than giving in to fear; in the name of Jesus.
