Prayer Items

We celebrate with **Titus and Violet** that she has received her final chemo and tests confirm she is **cancer free!!** Praise God!!

Wes and Lois are deeply grateful the test administered showed his fever was not from COVID-19!! We celebrate with them their need to no longer self quarantine!

Bob and Joe would value our prayers for his sister Helen, husband Fred and family. Helen has significant health challenges and is now under hospice care. Pray for God's peace in the challenging journey.

Continue in **prayer as Chr. Ed. Director candidates** seek counsel and God's guidance before our second discernment circle July 1. Pray for God's heart to be revealed in this matter!

Continue in prayer for the **Bussy, France congregation**. Pray grace and wisdom as they envision their future without **Jeremiah and Shealagh**. Pray God would lead the Martin family as they explore open doors for ministry in the US.

Pray blessing as **Jody and Johanna anticipate marriage** next Sunday afternoon. Celebrate with them their commitment to establishing a Christian home!

Today we highlight our budget support of **Racial Ethnic Leadership Ed Fund** as one way we support minority Pastors in receiving a quality, Anabaptist education. Praise God for this vibrant part of our extended church family!
